

# COLONIAL FOREST HOMEOWNER'S ASSOCIATION BOARD OF DIRECTORS MEETING

---

## Colonial Forest Web Site

The transition from Weebly to Go Daddy is complete. The web site can be found at *colonialforest.net*.

## Please Pick Up After Your Pet

- There are still some dog owners who do not pick up after their pet. Per the Rules & Regulations 7.d, "All pet defecation in common or limited common areas of Colonial Forest shall be picked up immediately by the pet owner or representative."
- Leaving pet waste creates a health hazard as mowing over the deposits spreads the feces in small pieces across the lawn and clogs the crew's machinery. In addition, leaving deposits in the yard attracts rats. Please pick up immediately after your pet and properly dispose of the waste.
- If you see anyone not picking up after their dog, send an email via the Colonial Forest web site so the Board can take the proper action.

## Tree Removal

An owner in Building 7 requested three trees be removed and ground down. Monty's Tree Service assessed the trees and recommended the removal of one hemlock that is unhealthy. Carolyn moved to remove the hemlock; Val seconded and all approved.

## Annual Picnic

The picnic committee will determine the date and post a flyer on each building.
